

A NOTE FROM SENATOR JOE NEGRON

District 28

Dear Friend,

The American Conservative Union recently recognized their "Defender of Liberty" Award winners for 2011. I was honored to receive the highest ranking, All-Star of the Florida Legislature Award, for my service in the Florida Senate. As your Senator, it is my duty to protect the individual liberties granted in our constitution. This is a fundamental right of freedom and sets our nation apart from other forms of government. In a time when we are witnessing unrest in many civilized nations, it is important that we keep true to our core principles and always be mindful of advancing individual prosperity as opposed to hiding under the cloak of big-government solutions.
